

PUGET SOUNDKEEPER® ALLIANCE

Annual Corporate Activity Sponsorships

Would your company like to support a specific area of the work we do to Protect and Preserve Puget Sound? Choose from one of the following activities. Recognition will be provided in newsletter articles reporting on the success of these efforts and on our web page.

\$500 - \$10,000 Sponsorships levels available

Clean Water Act Enforcement

Our citizen enforcement of the Clean Water Act is a critical element of the lasting changes we make to water quality in the region. Help PSA support its efforts to protect water quality through litigation and administrative appeals.

On-the-water pollution detection

Help support our weekly Soundkeeper boat patrols on Puget Sound, where we monitor, document and report illegal pollution. PSA's expenses include Soundkeeper boat rental, fuel and staff time.

Water quality monitoring

Help us document water pollution. Expenses include testing equipment and lab fees.

Technology upgrade

Help us develop our ability to support online activism, donations and timely web page updates. PSA's expenses include software purchases, service fees and staff or consultant time.

Pollution prevention

It is cheaper to stop pollution before it happens than to clean it up after the fact. Help support the creation, publication and distribution of educational materials to businesses, homeowners, recreational boaters and others who want to protect Puget Sound from water pollution. PSA's expenses include staff time, graphic design, printing, postage and other distribution costs.
