

Black-led and People of Color-led Organizations

Below is a short list of local organizations we encourage you to support in celebration of Juneteenth.

[King County Equity Now](#) a coalition of long-standing, accountable, Black-led community-based organizations in King County

[Black Lives Matter Seattle-King County \(BLM\)](#) A 501(c)(4) nonprofit organization which primarily focuses on advocacy and direct action. The core activists and organizers of BLM Seattle King County is a group of Black and other people of color focused on dismantling anti-Black systems and policies of oppression.

[COVID-19 Mutual Aid Seattle](#) COVID-19 mutual aid groups revolve around caring for neighbors as a hyperlocal infrastructure. This can have a powerful impact on political mobilization.

[Front & Centered Frontline Response Fund](#) Provides immediate and direct assistance to organizations working to respond to the COVID-19 crisis throughout the state due to financial, social, and health impacts of the pandemic.

[FEEST](#) An organization led by youth of color in South Seattle and South King County working to improve health in our schools. Youth leaders celebrate food and culture at community dinners and build power to win policy changes that increase food access for all students.
