PUGET SOUNDKEEPER

ABOUT PUGET SOUNDKEEPER

- **Our MISSION** is to protect and enhance the waters of Puget Sound for the health and restoration of our aquatic ecosystems and the communities that depend on them.
- **Our VISION** is for a Puget Sound teeming with diverse marine life and providing safe opportunities for swimming, fishing and sustainable economic activity. We seek a Sound that supports the lifeways and traditional cultural practices of indigenous peoples; provides all communities with a clean, healthy place to live and work; and once again is home to an abundance of salmon and orca

WAYS TO ENGAGE: JOINING OUR FLAGSHIP EVENTS

Throughout the year, Puget Soundkeeper hosts a variety of events, including a **Leadership Luncheon**, September's **International Coastal Cleanup**, and our **20th Annual Salute to the Sound Gala** on Saturday October 14th, 2023.

PSK also hosts our long-running **Seattle Summer Cleanup Series** – cleanups held on three days during the summer at sites across the city. The July cleanup is always our **5th of July Cleanup** held after Seafair's Lake Union fireworks show.

Join us in 2023...

- ...at the Salute to the Sound on October 14th!
- ...as a Seattle Summer Cleanup Series partner!
- ...as an International Coastal Cleanup Site host!

WAYS TO ENGAGE: ON THE WATER

Founded almost 40 years ago, Soundkeeper works to keep pollution out of our waters – and we put that commitment into practice all year long. By boat, kayak, bike, or foot, we're on the water and waterfront cleaning up, keeping an eye out, and showing people what clean water can look like.

Join us in 2023...

- ...for a 10- to 20-person kayak clean-up of Lake Union or the Lower Duwamish!
- ...on a small-group walking or kayak tour of local Seattle waterways and waterfronts!
- ...at a walking cleanup of a waterfront of your choosing!
- ...on a small-group kayak-led pollution patrol of a local waterway near you!

WAYS TO ENGAGE: IN THE FIELD

Working to keep pollution out of the Sound isn't always something done on the water. Often, our public places are the source of the plastic waste and toxic chemicals affecting our Sound. Help us turn off the tap by cleaning up our open spaces!

Whether you're looking to do some team-building, clean up the parks and waterfronts near your facilities, bring family and friends together for an afternoon, or add some activity to an otherwise packed meeting agenda, Puget Soundkeeper can curate a fantastic, fun, volunteer experience.

Join us in 2023...

- ...with a walking cleanup of a park!
- ...for a lunch-and-learn in the field with PSK staff!
- ...on Salmon Surveys or pollution patrol hikes!
- ...for amazing team-building volunteering events!
